We work until the project is done! That's why we are called

# ***How to Make the Holiday Fortune Teller***

Instructions:

1. To make your Fortune Teller, first begin with unfolding your card. Flip card so the Fortune Teller is facing down. You should see two large snowflakes and two trees.
2. Using the lines as guides, fold each corner into the middle. Once you do this, turn the Fortune Teller over and fold the corners into the middle once again.
3. Turn over so you can see the pictures (ornament, star, tree and eye), fold the card, open and then fold in half again.
4. Using your thumb and forefinger on both hands, slip your finger behind 2 of the pictures and press together so they bend and touch. You are now ready to use your Fortune Teller!
5. Ask a friend to pick a number, and then move the card as many times as the number. Then have your friend pick a joke and tell them the answer! Enjoy!
